

Palmer Johnson Yachts PJ150, 2008

INTRODUCTION

Asking price significantly reduced! Built in aluminium by US yard Palmer Johnson, this generous 46m private superyacht was designed by Nuvolari Lenard and delivered in 2008 as the yard's fourth PJ150 Sports Yacht. MCA compliant, accommodation is for up to 12 guests in five staterooms plus quarters for eight crew, ensuring luxury cruising onboard. The full-beam master suite of this beautiful and modern sport yacht is located on the main deck forward and includes a lobby with a walk-in wardrobe, a king-sized bed with a study area to starboard and a seating area to port. Below deck, guest accommodation includes a VIP cabin with a saloon area. This area can be isolated and turned into a separate cabin with its own en-suite bathroom. Two further double cabins can be turned into twin cabins at the push of a button and all staterooms have en suite facilities. This luxury open cruiser was designed for guests to enjoy the life outdoors. With a panoramic view, the flybridge boasts a Jacuzzi with sun loungers, a dining area and a large seating area in the shade with a pop up flat screen television. Powered by twin responsive MTU diesel engines, this head turning sports cruiser can accelerate to a rousing speed underway of 30 knots. The engine of the ship creates 3650 horse power (or 2723 kilowatts). Her total HP is 7300 HP and her total Kilowatts are 5446. For propulsion, she has twin screw propellers. Must be seen to be fully appreciated.

OVERVIEW

Price:	USD14,000,000
Lying:	France
Year:	2008
Engines:	
Speed:	30 knots
Construction:	Aluminum
LOA:	45.7 meter
Beam:	8.4 meter
Boat ID:	5665543

TECHNICAL SPECIFICATION AND INVENTORY

BOAT YEAR

2008

BUILDER/DESIGNER
